MOBILE HOME

GRANERO/ GRANERO LOFT

10x3,5 m / 35 m²

The homes of wheels offered by DMK Budownictwo are a perfect alternative to traditional construction. One of the great advantages of a mobile home is the possibility of moving it around the plot, allowing you to precisely place in the ideal spot and relocate if needed.

Our company offers mobile homes in different sizes ranging from 35 to 56 m².

The house includes:

a salon and kitchenette, one, two or three fully furnished bedrooms, and a fully equipped bathroom. It is possible to create a home that is adjusted to your individual needs.
